To whom it may concern

This is to certify that Mr. Prem Shahi with passport number 08646485 came to our hospital with the complaints of H/O RTA bike accident 2 days back with left ankle swelling, ROM-restricted. On examination BP-112/78, pulse-86b/min, Tem-N, spo2-99%. After doing the X-ray patient was diagnosed with left ankle sprain and left below knee slab was applied and given symptomatic treatment. Patient was advised to take bed rest for 2 weeks and review in OPD and SOS.

Please do the needful.
